IMPORTANT NOTICE

Dear Water Customer:

Effective with payments due March 1, 2024 there will be a slight increase in water rates. The minimum will remain the same. The incremental rates per 1,000 gallons above the minimum will increase \$0.10 for all levels thereafter.

These rate adjustments are necessary due to increasing costs and the continued upgrading of the RWD#6 water system. Some recent costs that have been incurred are replacement of old waterlines.

It is the intention of the Board of Directors of RWD#6 to do everything possible to keep the water flowing to the more than 1,952 water customers.

Thank you,
Rural Water District #6, Mayes County
