

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Mayes Co RWD # 6 Did Not Meet Monitoring Requirements

Our water system violated drinking water requirements pertaining to the contaminant(s) of concern listed below. Although none of these violations are considered emergencies, as our customers, you have a right to know what happened and what we are doing, or have done, to correct these violations. Customers are not at risk and there is no reason to suspect any potential adverse health effects. Alternative water supplies are not needed.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During the following monitoring periods, we did not monitor or test for the following contaminants, and therefore cannot be sure of the quality of your drinking water during that time:

Type of Sample(s)

Monitoring Period(s)

VOLATILE ORGANIC CHEMICALS

1/1/2023 To 12/31/2025

What should I do? No action is required

What happened? What is being done? We missed taking this sample in the last monitoring schedule. We are taking this sample in April

We anticipate resolving the problem by this date: April 6th, 2026
